In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House, to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, together with the notices published. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Pri-

vate Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By new Rule 65A, passed on the 2nd April, 1901, (see Journals, 1901, page 58), a model form of Railway Bill is adopted.

By 65B all Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

DOMINION ORDERS IN COUNCIL.

[245]

AT THE GOVERNMENT HOUSE, OTTAWA.

Tuesday, the 16th day of February, 1909.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-
GENERAL IN COUNCIL.

WHEREAS section 1 of the Coal Mining Regulations, established by Order in Council of the 9th May, 1907, provides that the coal mining rights which are the property of the Crown may be leased for a term of twenty-one years at an annual rental of \$1 an acre, payable yearly in advance:

And whereas it would appear from representations which have been made to the Department of the Interior, that, owing to the very large expenditure which is necessarily incurred in opening up and equipping a coal mine, and the considerable period of time which must elapse after the issue of a lease before the mine can be made profitably productive, the above term of twenty-one years is not sufficiently long, and that provision should be made for a renewal of the lease for an additional term, provided the lessee has complied with the provisions of the Regulations and the conditions of the lease:

Therefore, His Excellency the Governor-General in Council is pleased to order that section 1 of the Coal Mining Regulations, as established by the Order in Council of the 9th May, 1907, shall be and the same is hereby amended by providing that the term of the lease shall be twenty-one years, renewable for a further term of twenty-one years, provided the lessee can furnish evidence satisfactory to the Minister of the Interior, to show that during the term of the lease he has complied fully with the conditions of such lease, and with the provisions of the Regulations under which it was granted.

And His Excellency is further pleased to order that this provision shall apply also to coal mining leases which have already been issued under the provisions of the above Coal Mining Regulations.

F. K. BENNETTS,
mr11 Assistant Clerk of the Privy Council.

[31.]

AT THE GOVERNMENT HOUSE AT
OTTAWA.

Tuesday, the 16th day of February, 1909.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-
GENERAL IN COUNCIL.

WHEREAS applications have been submitted to the Department of the Interior for the right to prospect for coal on lands, the coal mining rights under which have not been alienated from the Crown, and under the present regulations the only way in which the permission sought can be obtained is by securing a lease of the coal mining rights under the lands upon which the applicant desires to operate, and pay in advance a rental at

the rate of \$1 an acre per annum for such coal mining rights; and

Whereas it is in the public interest that applicants should be given reasonable inducements to explore for coal on lands which present no surface indications of its existence:

Therefore, His Excellency the Governor-General in Council is pleased to make, and doth hereby make, the following Regulations governing the granting of permission to prospect for coal:—

1. The Minister of the Interior may reserve for an applicant the coal mining rights, the property of the Crown, under an area of not more than 2,560 acres of land, for a period not exceeding two years, for the purpose of enabling him to carry on prospecting operations thereon with the view of discovering coal.

2. The tract applied for shall consist of sections and regular subdivisions of sections, but the several parcels comprising the tract must be contiguous.

3. Each application shall be accompanied by a fee of one hundred (\$100) dollars, which will be applied on account of the rental in case a lease of the coal mining rights or any portion thereof is subsequently granted, and will be refunded in case permission to prospect is not granted, or if it is shown to the satisfaction of the Minister of the Interior that the applicant has thoroughly prospected the tract reserved for him, and has failed to discover coal thereon in paying quantities, but not otherwise.

4. If the surface rights of any portion of the tract reserved for an applicant is the property of the Crown, he may obtain a lease during the period of the reservation only, of such area thereof, for the purposes of his coal mining operations, as the Minister of the Interior may consider necessary, upon payment in advance of a rental at the rate of one (\$1) dollar an acre per annum.

5. The reservation of the coal mining rights will be made upon the express condition that the applicant shall expend in actual prospecting operations, by recognised methods, during each of the years covered by the reservation the sum of not less than one dollar an acre in connection with the rights reserved for him, and shall, prior to the determination of each period of one year, furnish evidence, supported by affidavit, to show that he has incurred the required expenditure in actual prospecting operations by recognised methods, for the discovery of coal on the tract affected by the reservation, otherwise the permission granted shall absolutely lapse.

6. In case the surface rights of any portion of the tract applied for has been disposed of, it will be necessary for the applicant, before permission to prospect thereon for coal can be granted, to furnish satisfactory evidence to show that he has obtained from the owner or occupant of the surface rights permission to enter upon the land for the purpose of prospecting.

7. If, at the expiration of the period for which permission has been given to prospect, the applicant desires to lease the coal mining rights included in the reservation, or any portion thereof, he shall be considered the first applicant for such rights, provided evidence is furnished to the satisfaction of the Minister of the Interior that he has incurred the prescribed expenditure in prospecting for coal on the tract included in the reservation, and permission to acquire a lease of such coal mining rights shall be granted under the provisions of the Regulations in that behalf.

F. K. BENNETTS,

mr11 *Assistant Clerk of the Privy Council.*

[Ref. 32,223.]

AT THE GOVERNMENT HOUSE AT OTTAWA

Tuesday, the 16th day of February, 1909.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS representations have been made that rock in place, bearing valuable mineral deposits, has been discovered within the limits of certain forest reserves which were set apart by authority of The Dominion Forest Reserves Act, chapter 14, of 6 Edward VII;

And whereas while the lands which have been set apart by this Act can be dealt with only under Regulations established under the authority of that Act, it was not the intention in the establishment of forest reserves that the development of valuable mineral deposits which might be discovered within the limits thereof, should be thereby prevented,—

Therefore, His Excellency the Governor-General in Council is pleased to order that the Regulations for the disposal of quartz mining claims, established by Order in Council of the 13th day of August, 1908, shall be and the same are hereby extended to lands situated within the limits of reserves established by the Dominion Forest Reserves Act, subject, however, to the following restrictions:—

1. That a Crown Grant shall not be issued for a mineral claim situated within the limits of a forest reserve, but the holder of a mineral claim so situated, who has complied fully with those requirements of the Quartz Mining Regulations which precede the issue of a Crown Grant shall be entitled to a lease of the surface and mineral rights of the claim in connection with which such requirements have been fully complied with, or a lease of the mineral rights and of such of the surface rights as the Minister of the Interior may consider necessary for the efficient and economical working of the mineral rights granted under such lease.

2. That the term of the lease shall be twenty-one (21) years, renewable for further terms of twenty-one years in each case, provided satisfactory evidence is submitted to show that the lessee has complied fully with the conditions of his lease and the provisions of the regulations.

3. That the grantee or lessee of a mineral claim shall do no unnecessary damage to timber, and will carefully observe all the provisions of all regulations relating to forest reserves.

4. That no trees on the reserve shall be cut by him without the permission of the Superintendent of Forestry, and that when any trees are so cut, he shall carefully clear the ground of all tops and branches and other debris of such cutting, and shall so dispose of them as to prevent danger from fire in accordance with the instructions of the officer in charge of the reserve. If in order to dispose of such debris, it is found necessary to burn it, the lessee of the claim shall give due notice of his intention to do so to the officer in charge of the reserve, and before he proceeds to burn such debris, shall obtain the consent of such officer and shall comply with all the conditions imposed by such officer in regard to such burning.

5. That the lessee shall clear, and at all times keep clear of inflammable material, a space of at least one hundred (100) feet in width surrounding his works or operations.

MISCELLANEOUS.

IN THE SUPREME COURT OF BRITISH COLUMBIA.

In the Matter of the "Water Clauses Consolidation Act, 1897," Part III., and in the Matter of a Petition by "The Alberni Waterworks Co., Limited," for a Certificate under the provisions of section 55 of said Act.

1. This is to certify that "The Alberni Waterworks Company, Limited," a specially incorporated company within the meaning of Part III. of the "Water Clauses Consolidation Act, 1897," incorporated on the second day of July, 1908, for the sole object of constructing and operating a water-works system for the supply of the unincorporated locality hereinafter defined, and for the purposes necessary and incidental thereto, has, by its petition, prayed for the granting of a Certificate, under the provisions of section 55 of the said Act; and, furthermore, that upon the hearing of the said petition, it has been made to appear to my satisfaction that the Company has complied with the provisions of section 52 of the said Act, and that the facts made to appear to me are such as to justify the construction and operation of the proposed undertaking and works in the whole of the unincorporated locality known as Lot One (1), Alberni District, in the Province of British Columbia, and the doing and exercising of all acts and statutory powers in said Lot One (1) in connection therewith:

2. And this is further to certify that the said undertaking as shewn by the documents and plans filed in support of the said petition, and as ordered by me to be changed on the application, is as follows:—

(a.) To construct and operate a water-works system for the whole of the unincorporated locality known as Lot one (1), Alberni District, in the Province of British Columbia, the estimated cost of which works is \$7,168.00, subject to increase of cost and extension as hereafter provided.

3. And this is further to certify that the amount of capital of said Company which shall be duly subscribed for before the Company shall be authorised to exercise its corporate powers, is hereby fixed at the sum of \$20,000.00, and the said amount shall be subscribed within six months from the date hereof:

4. And this is further to certify that the time within which such undertaking is to be commenced is fixed at six months from the date hereof:

5. And this is further to certify that I have imposed the following conditions and restrictions which I deem necessary in the public interest, namely:—

(a.) The sum of \$10,000.00 (which shall include all moneys heretofore paid to the Company, and which are hereby declared to be \$4,700.00), is to be paid within six months from the date hereof in respect of the stock subscribed, or to be subscribed as aforesaid, and a further sum of \$5,000.00 to be paid up on account of said stock within nine months from the date hereof: Provided that the Company may at any time within the said period of nine months apply to this Court, or a Judge thereof, to extend the time for payment up of the said further said sum of \$5,000.00: And further provided, that if the said sums of \$10,000.00 and \$5,000.00 be not paid up as aforesaid within the said periods of six and three months, or within such further period as the said period of three months may be extended by this Court, or a Judge thereof, the rights hereby granted shall forthwith cease and determine:

(b.) The rates to be charged by the Company shall be a flat rate of \$1.50 per month to every house using said water for domestic purposes, and such rate shall continue until the appointment of a Water Board, under the "Water Act," after which date the rates shall be such rates as shall be fixed by the said Board: Provided, however, that The Alberni Water-works Co., Limited, in case the said Board fail or refuse to fix the said rates, or before the Water Board is appointed, shall be at liberty to apply to this Court, or a

Judge thereof, to fix the rates in accordance with the circumstances existing at the time of such application:

(c.) The Alberni Land Company, Limited, shall have the right at any time before the appointment of a Water Board, under the "Water Act," to apply to the Court, or a Judge thereof, for a reasonable extension of the Company's works to parts of the said Lot one (1), not at present served by the Company, and the Court or a Judge shall determine the reasonableness of every matter or thing brought before it or him pursuant to this sub-section (c), and shall make such order thereon consistent with the "Water Act" as shall, in its or his opinion, be just, and in particular may order the capitalisation of the Company to be increased: Provided, however, that in making such application the Alberni Land Company, Limited, shall, at least two weeks before the said application, deliver to The Alberni Water-works Co., Limited, a detailed statement, in writing, showing the exact locality to which the Company wish an extension of the Company's works, the number of people living in the said locality who are willing to enter into contracts to take water; the purposes for which said water is to be used, and a full and detailed statement of all facts upon which The Alberni Land Company, Limited, rely as showing it to be reasonable to require The Alberni Water-works Co., Limited, to make the required extension.
